Learning to Do

In the Vocational Agriculture classes of Sanger High School students learn various skills that will be useful in today's world, they develop abilities in leadership, and they work to serve others in their community.

We, the members of the 1974 GOLDEN WARRIOR staff, feel that the FFA organization is an asset to our school and community, and we are proud to dedicate this annual to the Sanger Chapter of the Future Farmers of America.

Superintendent es Message

Dear Students.

I would like to congratulate the Student Body for another year of many accomplishments.

To the senior class, may you always cherish the memories and friends of your school days, for a friend is a person who transforms your loneliness into happiness, your sadness into joy, and your gloom into gladness.

Sincerely. Herbert Arledge
